

Corrections to: Shinar, G. and M. Feinberg, Concordant chemical reaction networks and the Species-Reaction Graph, *Mathematical Biosciences*, **241**, 1-23, 2013.

1. On page 10, Remark 5.6 ends after the first paragraph. There should have been a vertical space between that paragraph and the following one.
2. On page 18, in the very last line of the right column, the text should read “R\* toward S\*,” not “S\* toward R\*.”
